International Certification Bio Suisse AG (ICB) confirms compliance with the Bio Suisse standards

The following products based on raw material compliant with Bio Suisse Standards are certified according to Bio Suisse Standards until 30.04.2018:

Processing	beet sugar, molasses (beet sugar) and pressed beet pulp as a contracting company for Agrana Zucker GmbH and only for the production without the use of NaOH.
Packaging	beet sugar, molasses (beet sugar) and pressed beet pulp as a contracting company for Agrana Zucker GmbH and only for the production without the use of NaOH.
Storage	beet sugar, molasses (beet sugar) and pressed beet pulp as a contracting company for Agrana Zucker GmbH and only for the production without the use of NaOH.

The decision is based on documentation provided by the following inspection/certification body:
KEZ o.p.s., Chrudim

The operation may use the logo "BIOSUISSE ORGANIC" on its products (including on its website, on containers, delivery notes, invoices, etc.). The logo can be downloaded as a .jpg file from the ICB website (www.icbag.ch). Products that have been certified by ICB as "in conversion" must also be clearly labelled

International Certification Bio Suisse AG

Date of inspection: 11.10.2016

Decision No.: ICB-01706-2016

Operation No.: 139442

Nicole Camenzind
Director of Certification
Basel, 06.12.2016

This certificate will only be valid for the same period as the organic certificate issued by the aforementioned inspection body and only for the duration of the contract of inspection with that same body. This document is the property of ICB. It can be reclaimed at any time should the Bio Suisse standards be violated.

The certificate does not entitle the holder to use the Bio Suisse Bud label, nor does it guarantee marketing product in Switzerland. When domestic supplies are sufficient Bio Suisse is obliged to restrict imports. ICB certificates will be put online at easy-cert.
